

PLUNGE INTO THE DEPTHS OF THE SEA OCTOBER 08

Almost a century old, but younger than ever, San Sebastian's recently refurbished Aquarium has to be one of Europe's most modern oceanographic museums.

The Aquarium which has made a dream come true for children, with its clown fish that are the same as finned film star "Nemo", and for adults with all the knowledge of the marine world that it has available.

Going through its 360° acrylic tunnel suspended in the middle of the water, surrounded by big sharks and enormous manta rays, or touching live fish in its tactile aquarium are just some of the infinite opportunities that this museum provides for us.

Price per person: With guide included €17. For a minimum of 10 person.

Without a guide: €10.

MARITIME DAY PASAIA OCTOBER 09

We invite you to enjoy a typical seafaring day in Pasaia approaching the culture of the sea and fishing.

We begin in Pasai San Pedro, where the old part find the birthplace of the illustrious sailor Blas de Lezo and fishing port with its fish market. To discover the secrets of artisanal fisheries and the peculiar rhythm of life of fishermen visit the museum ship MATER.

Take a break with a sailor on board aperitif watching the uniqueness of this traditional craft to continue the journey visiting the rowing club facilities Sanpedrotarra where trawlers and small boats will immerse you in traditional shipbuilding. Way to the restaurant have to take the shuttle motor to move from side to side of the bay, typical transport that brings us to the reality of maritime pasaitarras.

After lunch at a restaurant overlooking the bay we suggest placing an guided tour of the old town of Pasai Donibane where you have the opportunity to also enjoy the Museum of Victor Hugo. This famous French writer marveled at Pasaia and his writings will help us to get into the nineteenth century Pasaia.

Finally, take a guided boat on the calm waters of the bay and we will enjoy the spectacular natural charm of his mouth and walk nearby cliffs.
